Monsoon Assemblages was a research project funded by the European Research Council (ERC) under the European Union's Horizon 2020 research and innovation programme (Grant Agreement No. 679873), 2016-2021.

The following metadata files log the primary data produced by Monsoon Assemblages and which underpin the published outputs of the project, ERC Starting grant no. 679873, 2016-2021. Metadata are available as downloadable files from <http://www.monass.org>. Field trip reports are each licensed under a Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License. The data logged in the field work logs are available for viewing on request to the Monsoon Assemblages PI, Professor Lindsay Bremner at [l.bremner@westminster.ac.uk](mailto:l.bremner@westminster.ac.uk). Reuse is subject to application and permission in writing from Professor Lindsay Bremner. Data will only be released on application and will only be released to recognised researchers or students working under the supervision of recognised researchers, following the receipt of an ethical application. The PI, in conjunction with the University of Westminster's College of Design Creative and Digital Industries Ethics Committee will consider such applications.
